A proposed settlement has been reached in a class action lawsuit against Flex-N-Gate LLC, Flex-N-Gate Plastics, LLC, and Flex-N-Gate Chicago LLC (collectively, “Defendants”) and individuals who provided a hand, palm, or finger scan to Defendants between November 7, 2014 and December 19, 2022 (the “Class Period”) allegedly in violation of the Illinois Biometric Information Privacy Act (“BIPA”) and the law. The case is *Seyon R. Haywood & Robert Stewart v. Flex-N-Gate LLC, et al.*, 2019-CH-12933, pending in the Circuit Court of Cook County, Illinois, County Department, Chancery Division. The proposed settlement is not an admission of wrongdoing by Defendants or that any of the scan information was compromised in any way. The Court has not decided who is right or wrong.
