

EXHIBIT 1

SETTLEMENT AND RELEASE AGREEMENT

This Settlement and Release Agreement (“Agreement” or “Settlement Agreement”) is entered into by and between Momence Packing Company (“Defendant”), and Antwan Tucker (“Plaintiff”) individually and on behalf of the Settlement Class, in the case of *Anton Tucker*¹ vs. *Momence Packing Co.*, Case No. 2019-L-000098, currently pending in the Circuit Court of the Twenty-First Judicial Circuit, Kankakee County Illinois, Law Division. Plaintiff and Defendant is each referred to as a “Party” and are collectively referred to herein as the “Parties.”

I. FACTUAL BACKGROUND AND RECITALS

1. On August 30, 2019, Plaintiff Telly Wilson filed a class action lawsuit against Defendant alleging violations of the Illinois Biometric Information Privacy Act, 740 ILCS § 14/1, *et seq.* (“BIPA”) in the Circuit Court of the Twenty-First Judicial Circuit, Kankakee County Illinois.

2. On December 19, 2019, Plaintiff Antwan Tucker filed an Amended Class Action Complaint against Defendant with the same allegations.

3. On February 13, 2020, the Defendant filed its Answer to Amended Class Action Complaint and Affirmative Defenses.

4. The Parties exchanged preliminary information, including an estimate of the number of potential members of the Settlement Class and general information about the time-keeping system at issue, and the parties informally engaged in arms-length settlement negotiations.

5. Following arms-length negotiations, the Parties now seek to enter into this Settlement Agreement. Plaintiff and Class Counsel have conducted an investigation into the facts and the law regarding the Litigation and have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiff and the Settlement Class recognizing (1) the existence of complex and contested issues of law and fact, (2) the risks inherent in litigation; (3) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement, (4) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever, and (5) the Plaintiff’s determination that the settlement is fair, reasonable, adequate, and will substantially benefit the Settlement Class Members.

6. The Parties have agreed to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain and that achieving a final result through litigation would require substantial additional risk, discovery, time, and expense.

¹ For clarity, Antwan Tucker is the named plaintiff and class representative in *Anton Tucker vs. Momence Packing Co.*, Case No. 2019-L-000098 and the spelling Mr. Tucker’s first name in the caption is a typographical error of which the Parties are aware.

7. Defendant denies and continues to deny each and every allegation and all charges of wrongdoing or liability of any kind whatsoever that Plaintiff or members of the Settlement Class presently have asserted in this Litigation or may in the future assert. Despite Defendant's belief that it is not liable for, and has good defenses to, the claims alleged in the Litigation, Defendant desires to settle the Litigation, and thus avoid the expense, risk, exposure, inconvenience, and distraction of continued litigation of any action or proceeding relating to the matters being fully settled and finally put to rest in this Settlement Agreement. Neither this Settlement Agreement, nor any negotiation or act performed or document created in relation to the Settlement Agreement or negotiation or discussion thereof is, or may be deemed to be, or may be used as, an admission of, or evidence of, any wrongdoing or liability.

8. Considering the risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, the Parties are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in their respective best interests.

9. In consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Litigation be settled and compromised, and that the Releasors release the Releasees of the Released Claims, without costs as to Releasees, Plaintiff, Class Counsel, or the Settlement Class, except as explicitly provided for in this Agreement, subject to the approval of the Court, on the following terms and conditions.

 - ii. Half of the remaining uncashed money will be payable to Defendant.

or
- d. The Court refuses to enter a final judgment in this Litigation in any material respect.

73. The Settlement Agreement may be terminated and cancelled, at the sole and exclusive discretion of Defendant if more than 10% of the Settlement Class Members timely and validly exclude themselves from the Settlement.

74. In the event the Settlement Agreement is not approved or does not become final, or is terminated consistent with this Settlement Agreement, the Parties, pleadings, and proceedings will return to the status quo ante as if no settlement had been negotiated or entered into, and the Parties will negotiate in good faith to establish a new schedule for the Litigation.

XV. ATTORNEYS' FEES, COSTS AND EXPENSES, AND INCENTIVE AWARDS

75. At least seven (7) days prior to the Objection/Exclusion Deadline, Class Counsel will move the Court for an award of attorneys' fees not to exceed 35% of the Settlement Fund as well as, costs and expenses.

76. Defendant agrees not to oppose an application for attorneys' fees by Class Counsel in an amount not more than 35% of the Settlement Fund and an award of his/its reasonable costs and expenses. Class Counsel, in turn, agrees not to seek or accept attorneys' fees in excess of this amount from the Court.

77. Notwithstanding any contrary provision of this Agreement, the Court's consideration of the Fee Award is to be conducted separately from the Court's consideration of the fairness,

reasonableness, and adequacy of the Settlement Agreement, and any award made by the Court with respect to Class Counsel's attorneys' fees or expenses, or any proceedings incident thereto, including any appeal thereof, shall not operate to terminate or cancel this Agreement or be deemed material thereto.

78. Class Counsel shall provide the Settlement Administrator with its completed IRS Form W-9 at least seven (7) business days prior to the payment of the Fee Award is due. Within three (3) business days after the Effective Date, the Settlement Administrator shall pay to Class Counsel from the Settlement Fund the amount awarded by the Court in the Fee Award. Any payment of the Fee Award shall be paid via paper check or by electronic wire transfer to an account designated by Class Counsel.

79. Prior to or at the same time as Plaintiff seeks final approval of the Settlement Agreement, Class Counsel shall move the Court for an Incentive Award for the Class Representative in an amount not to exceed Seven Thousand Dollars (\$7,500.00), and Defendant agrees that it will not oppose such a request. The Incentive Award shall be paid solely from the Settlement Fund by check written by the Settlement Administrator within seven (7) days of the Effective Date. If the Court does not approve any Incentive Award for the Class Representative, or if the Court approves an Incentive Award in an amount less than \$7,500, the remaining amount(s) shall be distributed in accordance with Paragraph 47(c).

80. In no event will Defendant's liability for attorneys' fees, expenses, and costs, settlement administration costs, and/or an Incentive Award exceed its funding obligations set out this Agreement. Defendant shall have no financial responsibility for this Settlement Agreement outside of the Settlement Fund. Defendant shall have no further obligation for attorneys' fees or expenses to any counsel representing or working on behalf of either one or more individual Settlement Class Members or the Settlement Class. Defendant will have no responsibility, obligation or liability for allocation of fees and expenses among Class Counsel.

XVI. MISCELLANEOUS REPRESENTATIONS

81. The Parties agree that the Settlement Agreement provides fair, equitable and just compensation, and a fair, equitable, and just process for determining eligibility for compensation for any given Settlement Class Member related to the Released Claims.

82. The Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement, and (ii) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement. Class Counsel and Defendant's Counsel agree to cooperate with each other in seeking Court approval of the Preliminary Approval Order, the Settlement Agreement, and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement.

83. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff and the Settlement Class,

and each or any of them, on the one hand, against the Releasees, and each or any of the Releasees, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Litigation was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or without a reasonable basis.

84. Nothing express or implied in this Agreement is intended or shall be construed to confer upon or give any person or entity other than the Parties, Releasees, and Settlement Class Members any right or remedy under or by reason of this Agreement. Each of the Releasees is an intended third-party beneficiary of this Agreement with respect to the Released Claims and shall have the right and power to enforce the release of the Released Claims in his, her or its favor against all Releasers.

85. The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully this Settlement Agreement, including its Exhibits, and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

86. Any headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

87. The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any prior or subsequent breach of this Agreement.

88. This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents.

89. This Agreement may not be amended, modified, altered, or otherwise changed in any manner except by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

90. The Parties agree that Exhibits A through D to this Settlement Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

91. The Parties may agree, subject to the approval of the Court where required, to reasonable extensions of time to carry out the provisions of the Agreement.

92. Except as otherwise provided herein, each Party shall bear its own costs.

93. Plaintiff represents and warrants that she has not assigned any claim or right or interest therein as against the Releasees to any other person or party.

94. The Parties represent that they have obtained the requisite authority to enter this Settlement Agreement in a manner that binds all Parties to its terms.

95. The Parties specifically acknowledge, agree and admit that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents shall be considered a compromise within the meaning of Illinois Rules of Evidence Rule 408, and any other equivalent or similar rule of evidence, and shall not (1) constitute, be construed, be offered, or received into evidence as an admission of the validity of any claim or defense, or the truth of any fact alleged or other allegation in the Litigation or in any other pending or subsequently filed action, or of any wrongdoing, fault, violation of law, or liability of any kind on the part of any Party, or (2) be used to establish a waiver of any defense or right, or to establish or contest jurisdiction or venue.

96. The Parties also agree that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents entered in furtherance of this Settlement Agreement, and any acts in the performance of this Settlement Agreement are not intended to establish grounds for certification of any class involving any Settlement Class Member other than for certification of the Settlement Class for settlement purposes.

97. This Settlement Agreement, whether approved or not approved, revoked, or made ineffective for any reason, and any proceedings related to this Settlement Agreement and any discussions relating thereto shall be inadmissible as evidence of any liability or wrongdoing whatsoever and shall not be offered as evidence of any liability or wrongdoing in any court or other tribunal in any state, territory, or jurisdiction, or in any manner whatsoever. Further, neither this Settlement Agreement, the Settlement contemplated by it, nor any proceedings taken under it, will be construed or offered or received into evidence as an admission, concession or presumption that class certification is appropriate, except to the extent necessary to consummate this Agreement and the binding effect of the Final Order and Judgment.

98. The provisions of this Settlement Agreement, and any orders, pleadings or other documents entered in furtherance of this Settlement Agreement, may be offered or received in evidence solely (1) to enforce the terms and provisions hereof or thereof, (2) as may be specifically authorized by a court of competent jurisdiction after an adversary hearing upon application of a Party hereto, (3) in order to establish payment, or an affirmative defense of preclusion or bar in a subsequent case, (4) in connection with any motion to enjoin, stay or dismiss any other action, or (5) to obtain Court approval of the Settlement Agreement.

99. Except as provided herein, there shall be no comments made to the press or any third party, or any other disclosure by or through the Parties or their attorneys or agents, comprising opinions as to the Litigation. Plaintiff and Class Counsel shall not make any public statement, including any statement to the press, regarding the Settlement aside from the following agreed upon statement: “[The Parties] have reached a proposed agreement and look forward to the Court’s review and decision.” Similarly, Defendant and Defendant’s Counsel shall not make any public statement, including any statement to the press, regarding the Settlement. This Section shall not be construed to limit or impede the notice requirements of Section IX above, nor shall this Section

be construed to prevent Class Counsel or Defendant from notifying or explaining to potential Settlement Class Members or others that this case has settled and how to obtain settlement benefits, nor shall this Section limit the representations that the Parties or their attorneys may make to the Court to assist in its evaluation of the proposed Settlement. If a Party is required by a valid, enforceable subpoena or government information request to disclose information about the settlement, such Party shall provide reasonable prior notice (to the extent permitted by applicable law) to the other Parties to allow the other Parties to seek to prevent such disclosure. A Party may also provide necessary and accurate information about the Settlement to its shareholders and other persons or entities as required by securities laws or other applicable laws or regulations.

100. This Agreement may be executed in one or more counterparts exchanged by hand, messenger, facsimile, or PDF as an electronic mail attachment. All executed counterparts and each of them shall be deemed to be one and the same instrument, provided that counsel for the Parties to this Agreement all exchange signed counterparts.

101. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Releasees.

102. The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and the Parties hereby submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

103. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

104. This Agreement is deemed to have been prepared by counsel for all Parties as a result of arms-length negotiations among the Parties. Whereas all Parties have contributed substantially and materially to the preparation of this Agreement and its Exhibits, it shall not be construed more strictly against one Party than another.

105. Unless otherwise stated herein, any notice required or provided for under this Agreement shall be in writing and shall be sent by electronic mail or hand delivery, postage prepaid, as follows:

YOU MAY BE ENTITLED TO A CASH PAYMENT FROM A CLASS ACTION SETTLEMENT IF YOU WERE REQUIRED TO PROVIDE YOUR FINGERPRINT OR OTHER BIOMETRIC INFORMATION FOR EMPLOYEE TIMEKEEPING OR DOOR ACCESS PURPOSES TO MOMENCE PACKING COMPANY AND DID NOT SIGN A CONSENT FORM AT ANY TIME BETWEEN AUGUST 30, 2014 AND [INSERT DATE OF PRELIMINARY APPROVAL ORDER] 2020.

This is a court-authorized notice of a proposed class action settlement. This is not a solicitation from a lawyer and is not notice of a lawsuit against you.

A proposed settlement has been reached in a class action lawsuit against Momence Packing Company (“Defendant”) regarding timekeeping devices used by Defendant from August 30, 2014 through [insert date of Preliminary Approval Order] 2020, which required employees to provide biometric information (e.g. fingerprints etc.) for timekeeping and door access purposes, allegedly in violation of the Illinois’ Biometric Information Privacy Act (“BIPA”). The case is entitled *Anton Tucker vs. Momence Packing Co.*, Case No. 2019-L-000098, currently pending in the Circuit Court of the Twenty-First Judicial Circuit, Kankakee County Illinois, Law Division. The proposed settlement is not an admission of wrongdoing by Defendant, and Defendant denies that it violated the law. The Court has not decided who is right or wrong. Rather, to save the time, expense, and distraction of litigation, the parties have agreed to settle the lawsuit. The settlement has been preliminarily approved by a court in Kankakee, Illinois.

Am I a Member of the Settlement Class?

You are a member of the Settlement Class if, at any time between August 30, 2014 through [insert date of Preliminary Approval Order] _____ 2020, you were a Defendant temporary worker or employee in the State of Illinois who used a finger or hand scanner for door access or timekeeping purposes and did not sign a consent form.

What Can I Get From the Proposed Settlement?

Defendant has agreed to create a fund totaling \$798,847.00 from which all payments contemplated by the Settlement Agreement will be paid, including: (a) an Incentive Award to Plaintiff, Antwan Tucker, in an amount up to \$7,500; (b) reasonable attorneys’ fees to Class Counsel not to exceed 35% of the settlement fund plus reimbursement of reasonable costs; (c) costs incurred by or on behalf of the Settlement Administrator in administering the settlement; (d) an equal share of the remaining Settlement Fund to each Settlement Class Member; and (e) if applicable, any remaining amounts to Prairie State Legal Services and the Defendant. Defendant has also agreed to alter its biometric timekeeping practices, as explained in the detailed notice and Settlement Agreement at the website listed below.

You may also object to the settlement by making a valid objection by [**insert date approximately 60 days following the date of the Preliminary Approval Order**] _____, 2020. The long form notice, available on the website explains how to exclude yourself or object. You may appear at the hearing, either by yourself or through an attorney hired by you, but you don't have to. The hearing will take place in Courtroom 204 of the Twenty-First Judicial Circuit, Kankakee County, Illinois, 450 E. Court St., Kankakee, IL 60901.

Do I Have to Do Anything to Participate in the Settlement?

To receive your pro rata share of the Settlement Fund and be bound by the Settlement Agreement, including the release of claims against Defendant and its affiliated entities and agents, you do not need to do anything.

EXHIBIT B

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

PLEASE READ THIS NOTICE CAREFULLY. YOU MAY BE ENTITLED TO A CASH PAYMENT FROM A CLASS ACTION SETTLEMENT IF YOU WERE A MOMENCE PACKING COMPANY TEMPORARY WORKER OR EMPLOYEE IN THE STATE OF ILLINOIS WHO USED A FINGER OR HAND SCANNER FOR DOOR ACCESS OR TIMEKEEPING PURPOSES AND DID NOT SIGN A CONSENT FORM BETWEEN AUGUST 30, 2014 AND [INSERT DATE OF PRELIMINARY APPROVAL ORDER] _____ 2020.

This is a notice of a proposed class action settlement. This is not a solicitation from a lawyer and is not notice of a lawsuit against you.

WHY DID I GET THIS NOTICE?

This is a notice of a proposed settlement in a class action lawsuit, *Anton Tucker vs. Momence Packing Co.*, Case No. 2019-L-000098, currently pending in the Circuit Court of the Twenty-First Judicial Circuit, Kankakee County Illinois, Law Division. The settlement would resolve a lawsuit brought on behalf of persons who allege that Momence Packing Company (“Defendant”) required its employees to provide their biometric information (e.g. fingerprints, etc.) for timekeeping purposes without first providing them with legally-required written disclosures and obtaining written consent.

If you received this notice, you have been identified as someone who may have submitted your biometric information (e.g. fingerprints, etc.) to Defendants for timekeeping or door access purposes and did not sign a consent form between August 30, 2014 through **[insert date of Preliminary Approval Order]** _____ 2020. The Court has granted preliminary approval of the settlement and has conditionally certified the Settlement Class for purposes of settlement only. This notice explains the nature of the class action lawsuit, the terms of the settlement, and the legal rights and obligations of the Settlement Class Members. Please read the instructions and explanations below so that you can better understand your legal rights.

WHAT IS THIS LAWSUIT ABOUT?

The Illinois Biometric Information Privacy Act (“BIPA”), 740 ILCS 14/1, *et seq.*, prohibits private entities from: 1) collecting, capturing or otherwise obtaining biometric identifiers and/or information, such as fingerprints, of another person without first providing such individual with certain written disclosures and obtaining written consent; 2) possessing biometric identifiers and/or information without developing a written policy, publicly available, establishing a retention schedule and guidelines for permanently destroying the biometric identifiers and/or information; and 3) disclosing biometric identifiers and/or information without consent.

This lawsuit alleges that Defendant violated BIPA by requiring its current and/or former employees to submit their fingerprints for timekeeping purposes between August 30, 2014 through **[insert date of Preliminary Approval Order]** _____

2020 without first providing the requisite disclosures or obtaining the requisite consent. Defendant contests these claims and denies that it violated BIPA.

WHY IS THIS A CLASS ACTION?

A class action is a lawsuit in which an individual called a “Class Representative” brings a single lawsuit on behalf of other people who have similar claims. All of these people together are a “Class” or “Class Members.” Once a Class is certified, a class action settlement finally approved by the Court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Settlement Class.

WHY IS THERE A SETTLEMENT?

To resolve this matter without the expense, delay, and uncertainties of litigation, the Parties have reached a settlement, which resolves all claims against Defendant and its affiliated entities. The settlement requires Defendant to pay money to the Settlement Class, as well as pay settlement administration expenses, attorneys’ fees and costs to Class Counsel, and an incentive award to the Class Representative, if approved by the Court. The Settlement is not an admission of wrongdoing by Defendants and does not imply that there has been, or would be, any finding that Defendant violated the law.

The Court has already preliminarily approved the settlement. Nevertheless, because the settlement of a class action determines the rights of all members of the class, the Court overseeing this lawsuit must give formal approval of the settlement before it can become effective. The Court has conditionally certified the Settlement Class for settlement purposes only, so that members of the Settlement Class can be given this notice and the opportunity to exclude themselves from the Settlement Class, and to voice their support of or opposition to final approval of the settlement. If the Court does not give final approval to the settlement, or if the settlement is terminated by the Parties, the settlement will be void, and the lawsuit will proceed as if there had been no settlement and no certification of the Settlement Class.

WHO IS IN THE SETTLEMENT CLASS?

You are a member of the Settlement Class if, at any time between August 30, 2014 and **[insert date of Preliminary Approval Order]** _____ 2020, you were a Mومence Packing Company temporary worker or employee in the State of Illinois who used a finger or hand scanner for door access or timekeeping purposes and did not sign a consent form.

WHAT ARE MY OPTIONS?

(1) Accept the Settlement.

To receive your pro rata share of the settlement payment and be bound by the Settlement Agreement, including the release of claims against Defendant and the Releasees (as that term is defined in the Settlement Agreement), you do not need to do anything.

(2) Exclude yourself.

You may exclude yourself from the settlement. If you do so, you will not receive any cash payment, but you will not release any claims you may have against Defendant and the Releasees (as that term is defined in the Settlement Agreement). To exclude yourself from the settlement, you must mail a signed letter to the Settlement Administrator at _____, postmarked by **[insert date approximately 60 days after date of Preliminary Approval Order]** _____ 2020. The exclusion letter must: 1) contain a statement that you exclude yourself from this Settlement; 2) refer to the case name and case number of this litigation, 3) contain your full name, address, telephone number; and 3) contain your signature.

(3) Object to the Settlement.

If you wish to object to the settlement, you must submit your objection in writing to the Clerk of the Circuit Court of the Twenty-First Judicial Circuit, Kankakee County, Illinois, 450 E. Court St., Kankakee, IL 60901. The objection must be received by the Court no later than **[insert date approximately 60 days after the date of the Preliminary Approval Order]** _____, 2020. You must also send a copy of your objection to the attorneys for all Parties to the lawsuit, including Class Counsel (David Fish, Fish Law Firm, P.C., 200 E 5th Ave Ste. 123, Naperville, IL 60563), as well as the attorneys representing Defendant (Christopher Esbrook, Esbrook Law LLC, 77 W. Wacker, Suite 4500, Chicago, IL 60601), postmarked no later than XX, XX, 2020. Any objection to the proposed settlement must include your (i) full name, address, and telephone number; (ii) the case name and number of this Litigation; (iii) the date range during which you were employed by Defendant; (iv) all grounds for the objection, with factual and legal support for the stated objection, including any supporting materials; (v) the identification of any other objections you have filed, or have had filed on your behalf, in any other class action cases in the last four years; and (vi) your signature. If you hire an attorney in connection with making an objection, that attorney must also file with the Court a notice of appearance by the objection deadline of **[insert date approximately 60 days after the date of the Preliminary Approval Order]** _____, 2020. If you do hire your own attorney, you will be solely responsible for payment of any fees and expenses the attorney incurs on your behalf. If you exclude yourself from the settlement, you cannot file an objection.

You may appear at the Final Approval Hearing, which to be held on _____ 2020 at _____ a.m./p.m. in Courtroom 204 of the Twenty-First Judicial Circuit, Kankakee County, Illinois, 450 E. Court St., Kankakee, IL 60901, in person or through counsel, to show cause of why the proposed settlement should not be approved as fair, reasonable, and adequate. Attendance at the hearing is not necessary; however, persons wishing to be heard orally in opposition to the approval of the settlement, the request for attorneys' fees and expenses, and/or the request for an incentive award to the Class Representative are required to indicate in their written objection their intention to appear at the hearing on their own behalf or through counsel and to identify the names of any witnesses they intend to call to testify at the Final Approval Hearing, as well as any exhibits they intend to introduce at the Final Approval Hearing.

WHAT DOES THE SETTLEMENT PROVIDE?

Cash Payments. Defendant has agreed to create a \$798,847.00 Settlement Fund for the Class Members. The attorneys who brought this lawsuit (listed below) will ask the Court to award them attorneys' fees of 35% plus reasonable costs and expenses for the time, expense and effort expended in investigating the facts, litigating the case and negotiating the settlement. The Class Representative also will apply to the Court for a payment of up to \$7,500 for his time, effort, and service in this matter. The amounts paid to the attorneys who brought this lawsuit, the Class Representative, and to the Settlement Administrator for expenses associated with this settlement process will be taken from the Settlement Fund. Class Members who do not exclude themselves from the settlement will receive an equal share of the Settlement Fund remaining after all of the aforementioned expenses are paid. The exact amount each Class Member will receive is unknown at this time as it depends on several factors, including the number of Class Members who cash their checks and the costs of the other items to be paid from the Settlement Fund. The Settlement Administrator will issue a check to each Class Member who does not otherwise exclude him or herself following the final approval of the settlement. All checks issued to Settlement Class Members will expire and become void 180 days after they are issued. Uncashed checks will be donated half to the Prairie State Legal Services and half returned to the Defendant. It is believed that each Class Member will receive approximately \$520.00 from the Settlement Fund, but the exact amount is not yet known and could be more or less.

WHAT RIGHTS AM I GIVING UP IN THIS SETTLEMENT?

Unless you exclude yourself from this settlement, you will be considered a Settlement Class Member, which means you give up your right to file or continue a lawsuit against Defendant and its related entities, agents, and vendors (as defined in the Settlement Agreement), and relating to the use of Defendant's biometric Time-Keeping System from August 30, 2014 through [insert date of Preliminary Approval Order] _____ 2020. Giving up your legal claims is called a release. The precise terms of the release are in the Settlement Agreement, which is available at [www.fishlawfirm.com/_____](http://www.fishlawfirm.com/). Unless you formally exclude yourself from this settlement, you will release your claims whether or not you receive payment. If you have any questions, you can talk for free to the attorneys identified below who have been appointed by the Court to represent the Settlement Class, or you are welcome to talk to any other lawyer of your choosing at your own expense.

WHEN WILL THE COURT RULE ON THE SETTLEMENT?

The Court has already given preliminary approval to the Settlement. A final hearing on the settlement, called a Final Approval Hearing, will be held to determine the fairness of the settlement. At the Final Approval Hearing, the Court will also consider whether to make final the certification of the Class for settlement purposes, hear any proper objections and arguments to the settlement, as well as any requests for an award of attorneys' fees, costs, and expenses and a Class Representative Incentive Award that may be sought by Class Counsel. The Court will hold the Final Approval Hearing on _____, 2020 at _____ am/pm at Courtroom 204 of the Twenty-First Judicial Circuit, Kankakee County, Illinois, 450 E. Court St., Kankakee, IL 60901.

If the settlement is given final approval, the Court will not make any determination as to the merits of the claims against Defendant or its defenses to those claims. Instead, the settlement's terms will take effect and the lawsuit will be dismissed on the merits with prejudice. Both sides have agreed to the settlement in order to achieve an early and certain resolution to the lawsuit, in a manner that provides specific and valuable benefits to the members of the Settlement Class.

If the Court does not approve the settlement, if it approves the settlement and the approval is reversed on appeal, or if the settlement does not become final for some other reason, you will not be paid at this time and Class Members will receive no benefits from the settlement. Plaintiff, Defendant, and all of the Class Members will be in the same position as they were prior to the execution of the Settlement Agreement, and the settlement will have no legal effect, no class will remain certified (conditionally or otherwise), and the Plaintiff and Defendant will continue to litigate the lawsuit. There can be no assurance that if the settlement is not approved, the Settlement Class will recover more than is provided in the settlement, or indeed, anything at all.

WHEN WILL I BE PAID?

The Parties cannot predict exactly when (or whether) the Court will give final approval to the settlement, so please be patient. However, if the Court finally approves the settlement, you will be paid as soon as possible after the court order becomes final, which should occur within approximately 60 days after the settlement has been finally approved. If there is an appeal of the settlement, payment may be delayed. All checks will expire and become void 180 after they are issued. Uncashed checks will be donated half to the Prairie State Legal Services and half returned to the Defendant.

Updated information about the case is available by calling the Settlement Administrator at _____, or contact Class Counsel at the information provided below.

WHO REPRESENTS THE CLASS?

The Court has approved the following attorney to represent the Settlement Class, whom is referred to as "Class Counsel." You will not be charged for this lawyer. David Fish, Fish David Fish, Fish Law Firm, P.C., 200 E 5th Ave Ste. 123, Naperville, IL 60563, dfish@fishlawfirm.com, (630) 355-7590. If you want to be represented by your own lawyer instead, you may hire one at your own expense.

7. The Court recognizes that, pursuant to the Settlement Agreement, Defendant retains all rights to object to the propriety of class certification in the Litigation in all other contexts and for all other purposes should the Settlement not be finally approved. Therefore, as more fully set forth below, if the Settlement is not finally approved, and litigation resumes, this Court's preliminary findings regarding the propriety of class certification shall be of no further force or effect whatsoever, and this Order will be vacated in its entirety.

8. The Court approves, in form and content, the Short Form Class Notice and the Long Form Class Notice, attached to the Settlement Agreement as Exhibits A and B, respectively, and finds that they meet the requirements of Section 2-803 of the Illinois Code of Civil Procedure and satisfy Due Process.

9. The Court finds that the planned notice set forth in the Settlement Agreement meets the requirements of Section 2-803 of the Illinois Code of Civil Procedure and constitutes the best notice practicable under the circumstances, where Class Members are current or former employees or temporary workers of Defendant and may be readily ascertained by Defendant's records, and satisfies fully the requirements of Due Process, and any other applicable law, such that the Settlement Agreement and Final Approval Order will be binding on all Settlement Class Members. In addition, the Court finds that no notice other than that specifically identified in the Settlement Agreement is necessary in this action. The Parties, by agreement, may revise the Class Notice and Claim Form in ways that are not material, or in ways that are appropriate to update those documents for purposes of accuracy or formatting for publication.

10. Analytics Consulting LLC, or such other entity that the parties mutually agreed upon, is hereby appointed Settlement Administrator to supervise and administer the notice process, as well as to oversee the administration of the Settlement, as more fully set forth in the Settlement Agreement.

11. The Settlement Administrator may proceed with the distribution of Class Notice as set forth in the Settlement Agreement.

12. Settlement Class Members who wish to receive benefits under the Settlement Agreement do not need to take any affirmative action to claim their pro rata share of the Settlement Fund.

13. Settlement Class Members shall be bound by all determinations and orders pertaining to the Settlement, including the release of all claims to the extent set forth in the Settlement Agreement, whether favorable or unfavorable, unless such persons request exclusion from the Settlement Class in a timely and proper manner, as hereinafter provided. Settlement Class Members who do not timely and validly request exclusion shall be so bound even if they have previously initiated or subsequently initiate litigation or other proceedings against the Defendant or the Releasees relating to the claims released under the terms of the Settlement Agreement.

14. Any person within the Settlement Class may request exclusion from the Settlement Class by expressly stating his/her request in a written exclusion request. Such exclusion requests must be received by the Settlement Administrator in written form, by first class mail, postage prepaid, and postmarked, no later than **[insert 60 days from the date of the Preliminary Approval Order]** _____ 2020.

15. In order to exercise the right to be excluded, a person within the Settlement Class must timely send a written request for exclusion to the Settlement Administrator providing his/her name, address, telephone number, the name and number of the case, a statement that he or she wishes to be excluded from the Settlement Class, and must be personally signed by the person requesting exclusion. No person within the Settlement Class, or any person acting on behalf of, in concert with, or in participation with that person

within the Settlement Class, may request exclusion from the Settlement Class of any other person within the Settlement Class.

16. Any person in the Settlement Class who elects to be excluded shall not: (i) be bound by any orders or the Final Approval Order; (ii) be entitled to relief under the Settlement Agreement; (iii) gain any rights by virtue of this Settlement Agreement; or (iv) be entitled to object to any aspect of this Settlement Agreement.

17. Class Counsel may file any motion seeking an award of attorneys' fees not to exceed 35% of the Settlement Fund of Seven Hundred Forty-Eight Thousand, Nine Hundred Seventy-Nine Dollars (\$798,847.00) plus reasonable their costs and expenses, as well as an Incentive Award of seventh thousand five dollars (\$7,500.00) for the Class Representative, no later than **[insert date seven days prior to Final Approval Hearing]** _____, 2020. If unclaimed amounts remain in the Settlement Fund after 180 days from the date of the distribution, the remaining uncashed money will be payable half to *cy pres* recipient, Prairie State Legal Services, and half to Defendant.

18. Any Settlement Class Member who has not requested exclusion from the Settlement Class and who wishes to object to any aspect of the Settlement Agreement, including the amount of the attorneys' fees, costs, and expenses that Class Counsel intend to seek and the payment of the Incentive Award to the Class Representative, may do so, either personally or through an attorney, by filing a written objection, together with the supporting documentation set forth below in Paragraph 19 of this Order, with the Clerk of the Court, and served upon Class Counsel, Defendant's Counsel, and the Settlement Administrator no later than **[insert date approximately 60 days following the date of the**

Any Settlement Class Member who fails to timely file and serve a written objection in accordance with this Order shall be deemed to have waived, and shall be forever foreclosed from raising, any objection to the Settlement, to the fairness, reasonableness, or adequacy of the Settlement, to the payment of attorneys’ fees, costs, and expenses, to the payment of an Incentive Award, and to the Final Approval Order and the right to appeal same.

20. A Settlement Class Member who has not requested exclusion from the Settlement Class and who has properly submitted a written objection in compliance with the Settlement Agreement may appear at the Final Approval Hearing in person or through counsel to show cause why the proposed Settlement should not be approved as fair, reasonable, and adequate. Attendance at the hearing is not necessary; however, persons wishing to be heard orally in opposition to the approval of the Settlement and/or Plaintiff's Counsel's Fee and Expense Application and/or the request for an Incentive Award to the Class Representative are required to indicate in their written objection their intention to appear at the Final Approval Hearing on their own behalf or through counsel. Any Settlement Class Member who does not make his or her objection to the Settlement in the manner provided herein, or who does not also timely provide copies to the designated counsel of record for the Parties at the addresses set forth herein, shall be deemed to have waived any such objection by appeal, collateral attack, or otherwise, and shall be bound by the Settlement Agreement, the releases contained therein, and all aspects of the Final Approval Order.

22. All papers in support of the final approval of the proposed settlement shall be filed no later than fourteen (14) before the Final Approval Hearing.

(b) to determine whether the Settlement is fair, reasonable and adequate, and should be approved by the Court;

(c) to determine whether the judgment as provided under the Settlement Agreement should be entered, including an order prohibiting Settlement Class Members from further pursuing claims released in the Settlement Agreement;

(e) to consider the application for an Incentive Award to the Class Representative;

(f) to consider the distribution of the Settlement Fund pursuant to the Settlement Agreement; and

Exhibit D

**CIRCUIT COURT OF THE TWENTY-FIRST JUDICIAL CIRCUIT
KANKAKEE COUNTY, ILLINOIS, LAW DIVISION**

ANTON TUCKER, individually and on behalf) of all others similarly situated,)) Plaintiff,)) v.)	No. 2019 L 98
MOMENCE PACKING CO., a Delaware) corporation)) Defendant.)	

[PROPOSED] FINAL ORDER AND JUDGMENT

This matter coming to be heard on Plaintiff’s Unopposed Motion for Final Approval of Class Action Settlement (“the Motion”), due and adequate notice having been given to the Settlement Class, and the Court having considered the papers filed and proceedings in this matter, and being fully advised in the premises, IT IS HEREBY ORDERED, ADJUDGED, and DECREED as follows:

1. Unless otherwise noted, all capitalized terms in this Final Order and Judgment shall have the same meaning as ascribed to them in the Settlement Agreement between Defendant Momence Packing Company and Plaintiff Antwan Tucker, (together, “the “Parties”).
2. This Court has jurisdiction over the subject matter of the Litigation and personal jurisdiction over all parties to the Litigation, including all Settlement Class Members.
3. The Court preliminarily approved the Settlement Agreement by Preliminary

Approval Order dated _____, 2020, and the Court finds that adequate notice was given to all members of the Settlement Class pursuant to the terms of the Preliminary Approval Order.

4. The Court has read and considered the papers filed in support of this Motion for Final Approval, including the Settlement Agreement and exhibits thereto and supporting declarations.

5. The Court held a Final Approval Hearing on _____, 2020, at which time the Parties and all other interested persons were afforded the opportunity to be heard in support of and in opposition to the Settlement.

6. Based on the papers filed with the Court and the presentations made to the Court by the Parties and other interested persons at the Final Approval Hearing, the Court now gives final approval to the Settlement and finds that the Settlement Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class. The complex legal and factual posture of the Litigation, and the fact that the Settlement Agreement is the result of arms-length negotiations presided over by a neutral mediator, further support this finding.

7. Pursuant to 735 ILCS 5/2-801 and 2-802, the Court finally certifies, for settlement purposes only, the following Settlement Class:

All Defendant temporary workers and employees in the State of Illinois who used a finger or hand scanner for door access or timekeeping purposes and did not sign a consent form between August 30, 2014 and _____ [date of the Preliminary Approval Order].

8. The persons who are listed on Exhibit X to this order have made timely and valid requests for exclusion and are excluded from the Settlement Class and are not bound by this Final Order and Judgment.

EXHIBIT D

9. For settlement purposes only, the Court confirms the appointment of Plaintiff Antwan Tucker as Class Representative of the Settlement Class.

10. For settlement purposes only, the Court confirms the appointment of the following counsel as Class Counsel, and finds they are experienced in class litigation and have adequately represented the Settlement Class:

David Fish
Fish Law Firm P.C.
200 East Fifth Avenue, Suite 123
Naperville, Illinois 60563

11. With respect to the Settlement Class, this Court finds, for settlement purposes only, that: (a) the Settlement Class defined above is so numerous that joinder of all members is impracticable; (b) there are questions of law or fact common to the Settlement Class, and those common questions predominate over any questions affecting only individual members; (c) the Class Representatives and Class Counsel have fairly and adequately protected, and will continue to fairly and adequately protect, the interests of the Settlement Class; and (d) certification of the Settlement Class is an appropriate method for the fair and efficient adjudication of this controversy.

12. The Court has determined that the Notice given to the Settlement Class Members, in accordance with the Preliminary Approval Order, fully and accurately informed Settlement Class Members of all material elements of the Settlement and constituted the best notice practicable under the circumstances, and fully satisfied the requirements of 735 ILCS 5/2-803, applicable law, and the Due Process Clauses of the U.S. Constitution and Illinois Constitution.

13. The Court orders the Parties to the Settlement Agreement to perform their obligations thereunder. The terms of the Settlement Agreement shall be deemed

incorporated herein as if explicitly set forth and shall have the full force of an order of this Court.

14. The Court dismisses the Litigation with prejudice and without costs (except as otherwise provided herein and in the Settlement Agreement) as to Plaintiff and all Settlement Class Members' claims against Defendant. The Court adjudges that the Released Claims and all of the claims described in the Settlement Agreement are released against the Releasees.

15. The Court adjudges that the Plaintiff and all Settlement Class Members who have not opted out of the Settlement Class shall be deemed to have fully, finally, and forever released, relinquished, and discharged all Released Claims against the Releasees, as defined under the Settlement Agreement.

16. The Released Claims specifically extend to claims that Plaintiff and Settlement Class Members do not know or suspect to exist in their favor at the time that the Settlement Agreement, and the releases contained therein, become effective. The Court finds that Plaintiff has, and the Settlement Class Members are deemed to have, knowingly waived the protections of any law of the United States or any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code Section 1542 which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

17. The Court further adjudges that, upon entry of this Order, the Settlement Agreement and the above-described release of the Released Claims will be binding on, and have *res judicata* preclusive effect in, all pending and future lawsuits or other proceedings

maintained by or on behalf of Plaintiff and all other Settlement Class Members who did not validly and timely exclude themselves from the Settlement, and their respective predecessors, successors, heirs, executors, administrators, and assigns, as set forth in the Settlement Agreement. The Releasees may file the Settlement Agreement and/or this Final Order and Judgment in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

18. Plaintiff and Settlement Class Members who did not validly and timely request exclusion from the Settlement are permanently barred and enjoined from asserting, commencing, prosecuting, or continuing any of the Released Claims or any of the claims described in the Settlement Agreement against any of the Released Parties.

19. The Court approves payment of attorneys' fees, costs and expenses to Class Counsel in the amount of 35% of the Settlement Fund plus costs in the amount of \$____. This amount shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement. The Court, having considered the materials submitted by Class Counsel in support of final approval of the Settlement and their request for attorneys' fees, costs and expenses and in response to any timely filed objections thereto, finds the award of attorneys' fees, costs and expenses appropriate and reasonable for the following reasons: First, the Court finds that the Settlement provides substantial benefits to the Settlement Class. Second, the Court finds the payment fair and reasonable in light of the substantial work performed by Class Counsel. Third, the Court concludes that the Settlement was negotiated at arms-length without collusion, and that the negotiation of the attorneys' fees

only followed agreement on the settlement benefits for the Settlement Class Members. Finally, the Court notes that the Class Notice specifically and clearly advised the Settlement Class that Class Counsel would seek an award in the amount sought.

20. The Court approves the incentive award in the amount of for the Class Representative Antwan Tucker, and specifically finds such amount to be reasonable in light of the services performed by Plaintiff for the Settlement Class, including taking on the risks of litigation and helping achieve the results to be made available to the Settlement Class. This amount shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement.

21. Neither this Final Order and Judgment, nor the Settlement Agreement, nor the payment of any consideration in connection with the Settlement shall be construed or used as an admission or concession by or against Defendant or any of the Releasees of any fault, omission, liability, or wrongdoing, or of the validity of any of the Released Claims. This Final Order and Judgment is not a finding of the validity or invalidity of any claims in this Litigation or a determination of any wrongdoing by Defendant or any of the Releasees. The final approval of the Settlement does not constitute any position, opinion, or determination of this Court, one way or another, as to the merits of the claims or defenses of Plaintiff, the Settlement Class Members, or Defendant.

22. Any objections to the Settlement Agreement are overruled and denied in all respects. The Court finds that no reason exists for delay in entering this Final Order and Judgment. Accordingly, the Clerk is hereby directed forthwith to enter this Final Order and Judgment.

23. The Parties, without further approval from the Court, are hereby permitted to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits to the Settlement Agreement) so long as they are consistent in all material respects with the Final Order and Judgment and do not limit the rights of the Settlement Class Members.

IT IS SO ORDERED.
